Executive Council Continues Support of Local Charities

Most people know that since 1913, The Apprentice School has dedicated itself to developing great shipbuilders. Many people may not know that The Apprentice School also works to build a better community as well. This spirit was recently upheld when the ASSA executive council voted to donate \$500 to support the local Polar Plunge. This frigid event raises funds for the local Special Olympics. Want to take part in the polar plunge? **The next event occurs on February 4th and 5th.**

Contact Tommy Richardson @ 757-771-4139 for details.

WANTED

Would you like to be more involved in the Apprentice School but can't find anything to suit???

Come support your peers as the new BUILDER MAN! We are looking for an energetic Apprentice to hype up the crowd at our football and basketball games.

*Interested?
Call Steven McDonald
@ 757-353-1215*

WANT TO HAVE CURRENT UPDATES SENT DIRECTLY TO YOU??

You can access The Apprentice School Student Association website through the alumni link on the Apprentice School home site. From this page you can click the 'Add to email update' link in order to receive current updates by email. You can also view updates by accessing and selecting the Apprentice Moodle update link.
