THURSDAYS BY LAKE

The warm air is full of life with summer on its way. So that means it's time to get out of the house and enjoy it while it's here. For the whole month of June and July, The Mariner's Museum will be holding festive events every Thursday night from 5-10pm in front of the lake. What better way to enjoy the night than with food, beverages, dancing, and live music. Earn points by volunteering or just come out and have a good time. Volunteers will be provided a free meal. The ambiance of the night air on the lake will be more than a pleasurable experience. Please contact Jeb Dodson (270-688-8319) if you would like to help out on June 16nd or the 23th.

Apprentices had 4 Accident Free Days for the week ending May 29th!!!
