

On Saturday June 14, the Apprentice School Students Association (ASSA), held its annual Father's Day fishing trip in Hatteras, NC. aboard the Miss Hatteras The Charter supplied bait and fishing poles and the rest was left to skill and luck. Students, Alumni, Faculty, and Staff were invited to bring their guests and try their hand at the open sea. One student and his father caught enough fish to feed a small army. Gary Garner and his father are pictured with their hefty bounty. Gary will finish his time this year and will walk in the graduation that will be held in 2015. What a great way to say Happy Father's Day! Congratulations Gary and Mr. Garner!
